Russian Through Discussion

Conversational Russian Lessons via Skype / MSN

For whom?

People who already have a basic understanding of the Russian language and know basic Russian grammar

What for?

To improve your conversational Russian and to prepare you for all kinds of day-to-day situations

To enrich your active vocabulary

How?

Through Skype or MSN. In Russian, English or French.

For each lesson I send you a vocabulary list

During the lesson we will read, speak and do exercises together

I will pay particular attention to the difficulties you may have in pronunciation, grammar, spelling or use of particular words

Every week you will have homework sent by the e-mail

When?

We will agree the time and duration of the classes together

I recommend to start with 1 hour/week and then see if you need more

For how much?

25 euros/ hour, payment by paypal or bank account

The first lesson is free

What do you need?

A Microphone

High-speed internet
